PROFESSIONAL PROFILE

Experienced artist and designer with strengths in many different creative fields. Studied both studio art and User experience design. Worked in the service industry while attending school and earned an internship through a major brewery that resulted in a part time graphic design role with the company. Gained invaluable experience in industry by creating a beer can label, several marketing graphics, sales tools, tap stickers, website visuals, etc. for Victory Brewing Co and associated breweries within the Artisanal Brewing Ventures family. Looking to apply design skill set to a full time position.
